## **LABORATORY REPORT**

### **Sample:**

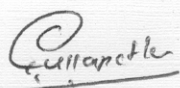

Clear liquid sample labelled "Oxyrich, U/B 02 004" as received from Reach for Life on 20<sup>th</sup> February, 2002 for investigation as to possible contamination with banned substances.

### **Results:**

The material was subjected to solvent extraction followed by gas chromatography/mass spectrometry (GC/MS) analysis.

The chromatograms obtained indicated no detectable levels of any organic compounds such as pesticides, drugs etc.
